2023 State Summer Games Tournament Details

- Saturday, May 20, 2023: We will start the day with each of the three divisions participating in a pool play tournament starting at 8:00AM. Following the pool play tournament all teams will break for lunch at 11:00AM. When we return from lunch at 1:00pm, we will begin a double elimination tournament. The winner of the pool play will play their first game at 2:00pm, with the other 2 teams playing at 1:00pm. The championship game or each division will then be played at 9:00am (and a 10AM if necessary) on May 21st.

-Sunday, May 21st, 2023- Tournament play for all 3 divisions to begin again at 9:00am. Awards to follow.

-Bracketing Reasoning- The reason the brackets are set this way are for a couple of reasons. The first reasons is the numbers of teams. We only have 9 teams participating in Volleyball this year. We want to make sure that Volleyball can last all day Saturday and have an exciting way to end things on Sunday with a championship game.

-Responsibilities: The tournament directors will ensure that games are started on time, follow bracket correctly, officials enforce rules and make correct calls, coaches are informed of their team's schedule, assist with inquiries from coaches and or volunteers, assist volunteers with setup of games, make sure all volunteers are in place prior to the start of a game, and makes sure the tournament is ran based on the tournament layout.

We will need volunteers to assist with:

- Scorekeeping and clock
- Line Judges
- Referees
- On-site volunteer registration

We currently have 9 teams registered to play.

- We have access to 3 courts. We can play each division per court.
- Pool Play Round: Each team will play 2 games. Games will be first to 15 points and best 2 out of 3 sets. Games will have a 15 minute time limit. Winner of the round robin will play their next game at 2:00PM.
- After lunch, teams will begin tournament play. Since we have 9 teams, we will do a double elimination bracket. Games will be scheduled from 1pm-4pm. Rules will be the same as they were in Round Robin.
- Games will be played at 1:00PM, 2:00PM, and 3:00PM. The game at 3:00PM is an elimination game.
- All games will be rally point scoring. A coin toss will take place before each match to determine initial possession and side of court.

- Tournament Play will be a double elimination bracket. A game is won by the team that scores 15 points with a minimum lead of two points. Games will have a 20min time limit.
- Once a server has scored three consecutive points, the team shall rotate to the next server.
- The serving order and positions on the court, at service, shall be an alternation of athletes and partners.
- All teams must have a coach on their bench and coaches are permitted to get up from the bench and move around as long as they are not affecting the progress of the game.
- During competition, the lineup shall never exceed three athletes and three partners at any time. Failure to adhere to the required ratio results in a forfeit.
