Important rules to remember

- The players play alternately from the teeing grounds and then alternate strokes until the ball is holed.
- Example: If Player “A” plays from the tee on the odd-numbered holes, then Player “B” would play from the tee on the even-numbered holes.
Only one ball is in play on a hole.

***Special
Olympics
Louisiana***

- Once the ball is in play on each hole, the players shall alternate turns hitting the ball until the ball is holed, or until 10 strokes have been played.
Note: a swing and miss count as a stroke.
- If a 10th stroke is played without holing the shot, the team shall record a score of 10x and proceed to the next hole.
- Scoring (marking of cards) — Athletes should be taught to keep score and, whenever possible in competition, serve as a marker for a fellow competitor. The Tournament Committee will also appoint a volunteer to serve as a marker. Both players on the team should verify their team's hole-by-hole scores, and one of the players -- preferably the athlete with an intellectual disability-- shall sign the scorecard.
- At the conclusion of 9 and 18 hole competition, athletes turn in scorecards to Golf Director who will calculate places. Awards will be given at the conclusion of calculating places.
